15th February 2019

Dear Parents and Carers,

Welcome to our third newsletter of the school term, I can't believe its half term already! It's been an action packed few weeks as ever, last week being our Safer Internet Week led by Mr Mercer and Classes One and Six enjoying their educational visits to Mudchute Farm and seeing Shakespeare at the Albany Theatre.
The week of the 4th March is our "Fun Week" with children getting the opportunity to dress up as a silly scientist on the Tuesday and then celebrate World Book Day by coming to school in (appropriate) pyjamas on the Thursday!
Have a restful half term and we look forward to seeing you all on Monday 25th February when the children return to school.

Future Newsletters

From the summer term we will no longer be sending out newsletters with the children. All newsletters will be e-mailed to those parents who have registered with Parent Pay.
If you have not registered with Parent Pay please sign yourself up as soon as possible as the office will soon refuse cash payments.

Parent Pay

May I remind parents that dinner money, clubs and school trips **must** now be paid for via the parent pay portal. The only cash payments we will take in the office is for this year's PGL trip for Yr 6.
If you do not have you details please see Mrs Reid or Mrs Hodges in the school office.

Safer Internet Week

Many thanks to Mr Mercer and our class teachers for celebrating Safer Internet Week. As the digital era moves so quickly, it is hard for parents and carers to keep up to speed with keeping our children safe online. Along with informing parents, its incredibly important we educate children on using such an amazing resource correctly.

Please *talk* to your children and monitor their PC *and tablet/mobile phone usage*.

Please remember to look at the resources on our school website –
http://www.stsaviours.lewisham.sch.uk/parents-zone/e-safety/

Music Hut Renovations

I am pleased to announce that work will begin on revamping our Music Hut during the Half Term break. Your contributions so far are allowing us to start the first phase which is improving and relocating the current kitchen.
Phase two will involve creating adequate storage in the main room and the final phase to install an Interactive Whiteboard to further enhance our Music Lessons.
Many of you have contributed so kindly so far, but it's not too late for those who haven't!

Main Gate Opening Time Change

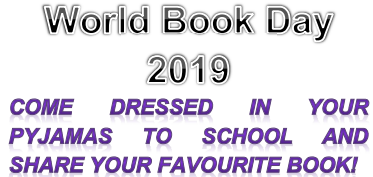
When the children return for Summer Term 2019 on 23rd April, please be advised that the new time for ***main gate to open will be 8.40am***, ten minutes later that our current 8.30.

This is mainly for safeguarding reasons as the playground is currently unattended from 8.30 to 8.40am. Magic Breakfasts will run from 8.40am until 8.58am.

We apologise to any parents whom this inconveniences.

World Book Day 2019

Thursday 7th March is this year's World Book Day. The theme of this year's WBD is sharing your favourite book. So we are inviting all children to dress in their pyjamas and bring their favourite book, as we want to discourage the use of technology before going to bed and get our children back in the habit of enjoying a good read before bed!
Our St Saviour's Book Week will happen again in the *summer term* when children will be invited to dress up as a book character, more details will follow nearer the time.



St Saviour's Science Day

Tuesday 5th March is our Annual Science Day. Mrs Brown and the staff have been working hard behind the scenes preparing some fun experiments for the day!

We are asking children to dress up as a Silly Scientist on Tuesday 5th March and bring in a £1 donation which will be put towards science equipment in the school.

Picking Up of Children

Can I kindly remind parents that the only adults allowed to pick children up from the school are those you have given us.
If you send an adult who is not on our system they will not be allowed to collect your children.

Nursery Applications

We are currently open for Nursery Applications for September 2019. Please remember children need to be 3 years of age and be fully Toilet Trained.

Many thanks for your ongoing support as we strive to deliver the best education possible for our children, parish and community.

Mr. D Houson
Headteacher
