20<sup>th</sup> October 2017

Dear Parents and Carers,

Welcome to our fourth newsletter of the year and its half term already! May we take this opportunity to thank you for all your support this term and wish you a very restful half term break.

## Contact Details

We enclose our annual questionnaire in this newsletter. Please fill in and return after the half term break. We value your opinion as we continue to strive for excellence.

## Contact Details

We are noticing increasing amounts of phone numbers are incorrect, changed or not working so far this term.

**It is of the utmost importance that we have your contact details correct.** In a worst case scenario we could have a child rushed to hospital with an injury and *no way of letting parents know.*

At the upcoming parents evening we will print out everyone's emergency contact details and ask you to check them before you leave. In the meantime, if you know you have recently switched numbers then please let us know as soon as possible!

## Lost School Uniform

We are also seeing an increasing number of children who regularly lose school uniform.

Please remember in EYFS and KS1 we will *try* to help find school uniform, but it is not our responsibility to look for or find lost kit.

In KS2 (*Years 3, 4, 5 and 6*) it is the child's responsibility to find lost uniform as they are old enough and should have that level of responsibility at this age.

All items of school uniform should be clearly marked with sew in tags or should be written legibly with permanent marker.

## Choir Perform at St Mary's Music Festival

Sunday saw our wonderful choir perform in the annual St Mary's music festival.

The children gave a wonderful performance in their own slot and at the end with all performers for the "*Joseph*" medley.

Many adults commented on the superb behaviour of our children during the event and the quality of the performance.

A huge thank you to Mrs Robins for giving up her time for such a worthwhile event for our children.

## Coffee Morning on e-safety

Our coffee mornings return next half term with a talk by Mr Houson on e-safety for KS2 children's Parents (*Years 3, 4, 5 and 6*) on Friday 24<sup>th</sup> November at 9.10am.

The talk will last about 40 minutes and will include advice and handouts on –

- Internet Safety at home
- Tablet / iPad / Phone advice
- Internet Bullying
- Safe use of Social Media

This is a huge area of concern as we are aware many children have Facebook, WhatsApp, Snapchat accounts *even though they are not legally allowed* to have them due to their age.

### Police Visit Nursey

A huge thank you to Mrs Goldsmith, our Nursery teacher, who arranged a visit from the local Police last week.

The children really enjoyed the visit as you can see from the picture!

### Brilliant Behaviour !

I am very pleased to share a lovely e-mail we received to our Class 5 children from their recent trip to Horton Kirby. The managers of the centre were so impressed they took the time out to write to us. Well done Miss Kelly and Class 5!

*On behalf of my colleague, I really needed to email you straight away this morning just to say what a brilliant class you have. Please let your head teacher know that their behaviour was some of the best that we have ever experienced at the centre – they were all a massive credit to your school – well done to you all.*

*Good luck with the rest of the year, and we hope we see your school here again in the future.*

### Changes to the Behaviour Card System

Please remember that if your child **ends the day on a red card** they will have to **fill out a slip saying why they are on a red card**. This has to be signed by a parent and returned to the school the next day.

Good behaviour equals excellent progress, which is what we want for all our children.

**Mr. D Houson**  
**Headteacher**

### Diary Dates Autumn 2017
