

Home Learning Activities – Year 5

Monday 29th June – 3rd July

Hi again everyone,

I hope that you and your families are well.

Well, I don't know about you, but I can't believe that we are close to a new month. It feels SO incredibly long ago since I last saw you all and I miss each and every one of you very much indeed. Keep working hard, keep helping each other at home and keep your spirits up. That light at the end of the tunnel is growing brighter by the day.

Here is your work for this week:

Monday 29th June

1) English

See 'English Activity Day 1', in this week's resource list.

(The answers, for today's activity are included at the end of the pack, so no peeking until you've completed it!) 😊

2) Maths

Subtract mixed numbers

- Enter this website: <https://whiterosemaths.com/homelearning/year-5/>
- Click 'Summer Term - Week 5 (w/c 18th May)' then focus on 'Lesson 4'
- Click on the video, which teaches you how to work it out
- See this week's resource list for 'Maths Tasks and Answers'. (No peeking at the answers, until you've attempted the questions! 😊)

3) History

Ancient Greek Olympics

This summer should have seen the 32nd Olympics being held in Tokyo – of course, it has now been postponed until the summer of 2021. But where did the modern Olympic Games originate? Well, we have to go back in time, to the Ancient Greeks to find out.

See this week's resource list for a lesson plan, power point, a Greek vase picture pack, a comparison sheet and a board game template. (If you are unable to print out any of the resources, then neatly draw your own versions, to use.)

Tuesday 30th June

1) English

See 'English Activity Day 2', in this week's resource list.

2) Maths

Multiply unit & non-unit fractions by an integer

- *Enter this website: www.bbc.co.uk/bitesize/articles/z6ghscw*
- *Carefully read through all of the information, on this web page, then watch the video lesson.*
- *Complete activity 1 and activity 2, which can be found at the bottom of the above web page. (Click on 'click here' for the answers – but no peeking until you've answered the questions! 😊)*

3) Computing

Algorithms – 2d Shapes

In this activity, get creative with computing! You will use 2D shapes and algorithms (a series of instructions) to draw pictures, detecting and correcting errors in the process.

See this week's resource list for the activity instructions and supporting worksheets.

Wednesday 1st July

1) English

See 'English Activity Day 3', in this week's resource list.

(The answers, for today's activity are included at the end of the pack, so no peeking until you've completed it!) 😊

2) Maths

Fractions of Amounts

- Enter this website: <https://whiterosemaths.com/homelearning/year-5/>
- Click 'Summer Term - Week 6 (w/c 1st June)' then focus on 'lesson 3'.
- Click on the video, which teaches you how to work it out
- See this week's resource list for 'Maths Tasks and Answers'. (No peeking at the answers, until you've attempted the questions! 😊)

3) D.T. - Design Skills

Learn the basics of design skills, by following this lesson.

www.bbc.co.uk/bitesize/articles/zdp9d6f

If you don't have a protractor – then try to estimate the angles, by comparing with a right angle (90 degrees). If you don't have a ruler, then try to use something with a straight edge to draw straight lines accurately.

Thursday 2nd July

1) English

See 'English Activity Day 4', in this week's resource list.

2) Maths

Solving Problems with Fractions

- Enter this website: www.bbc.co.uk/bitesize/articles/z76qmfr
- Watch the video.
- Complete activity 1 and activity 2, which can be found at the bottom of the above web page. (Click on 'click here' for the answers – but no peeking until you've answered the questions! 😊)

- *If you would like to challenge yourself further, try this fractions interactive game:*

kids.classroomsecrets.co.uk/resource/year-5-problem-solving-with-fractions-game/

3) Science

Impact of alcohol & drugs on the body

Over the past few weeks, we have been learning about the different factors for good health. This week, you will be exploring the negative impact that alcohol & drugs can have upon health.

1) Carefully read through the power point presentation, in this week's resource list.

2) Now, using the blank human body diagram and impact of alcohol & drugs label cards, from this week's resource list, match each label card with the part of the body which it affects. (If you don't have a printer, neatly draw your own diagram of the human body then write the effect which each drug has upon the different parts of the body, remembering to clearly label where this part of the body is.)

Friday 3rd July

1) English

See 'English Activity Day 5', in this week's resource list.

2) Maths

Decimals as Fractions

- *Enter this website: <https://whiterosemaths.com/homelearning/year-5/>*
- *Click 'Summer Term - Week 7 (w/c 8th June)' then focus on 'lesson 1'.*
- *Click on the video, which teaches you how to work it out*
- *See this week's resource list for 'Maths Task and Answers'. (No peeking at the answers, until you've attempted the questions! 😊)*

3) Art

The Circle Challenge

- Use the following link to access this art lesson:

<https://classroom.thenational.academy/lessons/the-circle-challenge/>

- Click 'Start Lesson' and watch the video that introduces the activity
- Now, complete the task according to the instructions.

Scholastic Reading Pro Library

I hope that you've managed to read some e-books, using the Scholastic Reading Pro library. See the school website for information, if you haven't logged in yet:

www.stsaviours.lewisham.sch.uk/home_school/scholastic-home-reading-library/

A big well done to Chinazo, Darson and Johnny for reading some of the books that I assigned, from the Scholastic Reading Pro Library, keep up the hard work!

I've added a new book, based upon our Ancient Greece topic, for you to enjoy. The title is:

- Atlantis: Poseidon's Lost City

Please try to read this e-book, as well as any other books of your choice.

Have you had a chance to look at these three great story and ebook websites yet?

<https://storyweaver.org.in/>

<http://www.loyalbooks.com/>

<https://www.storynory.com/>

Why not take a look? You're bound to stumble across something that you really enjoy - happy reading!

[Miss Kelly's riddle of the week](#)

What belongs to you, but other people use it more than you?

[Answer to last week's riddle:](#)

Q. What can you catch but not throw?

A. A cold.

Did you solve it? Well done if you did!

I'll be back in touch, with more work, next week, as well as the answer to 'Miss Kelly's Riddle of The Week'.

*Don't forget to look at our school's website, under the 'Home School' tab for additional resources. Make sure that you keep reading and learning your times table facts. Also – if there is any work that you would like to share with me and the rest of the school community, then please email it to admin@stsaviours.lewisham.sch.uk with the heading **"Home School"** and then keep a look out for it on the school website, in the 'Home School Gallery' tab.*

My continued best wishes are sent to you all – each and every one of you remain in my thoughts and prayers.

Cheerio and keep smiling!

Miss Kelly
