

St Saviour's RC Primary School

Pray Together, Learn Together, Stronger Together in Jesus

PE Year 6 Swimming Analysis

At St Saviour's RC Primary we visit the Glassmill Arena in the following format –

Autumn Term – Class 4

Spring Term – Class 5

Summer Term 1 – Class 3

Summer Term 2 – Class 6

We believe this allows skills and confidence to build over a 4 year period, as opposed to “blocking” swimming into one Academic Year.

The following data was collected from the Swimming Team at Glassmill Arena and Teacher observation of our Year 6 children for the 2018/19 Academic Year.

	% Achieved	% Not Achieved
% who can swim 25m	89% (25/28)	11% (3/28)
% who can swim breaststroke	89% (25/28)	11% (3/28)
% who can swim front crawl	86% (24/28)	14% (4/28)
% who can swim back stroke	75% (21/28)	25% (7/28)
% who can swim butterfly	25% (7/28)	75% (21/28)
% who can Safely Self Rescue	47% (13/28)	53% (15/28)

Total of 28 children assessed.
