### 1. Aims

This policy aims to:

- **Provide background information** about the pupil premium grant so all members of the school community understand its purpose and which pupils are eligible
- Set out **how the school will make decisions** on pupil premium spending
- **Summarise the roles and responsibilities of those involved** in managing the pupil premium in school

### 2. Legislation and guidance

This policy is based on the pupil premium [allocations and conditions of grant guidance 2023 to 2024](#), published by the Education and Skills Funding Agency (ESFA). It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

### 3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so they can reach their full potential.

## 4. Use of the grant

Briefly explain how you make decisions on how to use the pupil premium in your school.

You must cover:

- How your spending strategy is informed by research evidence, referring to a range of sources, such as the [guide published by the Education Endowment Foundation \(EEF\)](#)

Briefly explain how your use of pupil premium aligns with the 3-tiered approach described in the EEF's pupil premium guide. The DfE says your activities must be those that:

- Support the quality of teaching, such as staff professional development;
- Provide targeted academic support, such as tutoring; and
- Tackle non-academic barriers to academic success, such as attendance, behaviour, and social and emotional support

Our use of the pupil premium and activities align with the DfE's 'menu of approaches'.

You must make sure your use of the pupil premium aligns with the DfE's 'menu of approaches', based on the 3 tiers outlined above. See pages 8 and 9 of the DfE's [guidance for schools leaders on using the pupil premium](#) for details.

You may wish here to cover how you:

- Consider the context of the school and the main challenges or barriers your disadvantaged and vulnerable pupils face, and list some of these if appropriate
- Use evidence, such as learning from what works in your school, to inform your decisions on pupil premium spending
- Address a wide range of needs, and take group and individual needs into account
- Engage with parents/carers to take their views on their child's needs into account
- Make sure the school uses its pupil premium as effectively as possible (for example, taking into consideration which interventions will be the most beneficial for your pupils, based on evidence)
- Integrate pupil premium interventions into the curriculum (you may want to detail what changes are needed to existing ways of working)
- Make sure all staff promote the principles and ethos of the pupil premium strategy

Some examples of how the school may use the grant include, but are not limited to:

List some examples of interventions used in your school, such as:

- Providing extra 1-to-1 or small-group support
- Employing extra teaching assistants
- Running catch-up sessions before or after school (for example, for children who need extra help with maths or literacy)
- Providing extra tuition where needed (for example, ahead of national assessments such as SATs or GCSEs)
- Funding educational trips and visits

## ➤ Funding English classes for children who speak another language

We will publish our strategy statement on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's [guidance on using the pupil premium](#) and using the templates on GOV.UK.

Our pupil premium strategy statement is available here: [\[insert a link to the relevant page of your website\]](#)

## 5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in [\[list the relevant year groups at your school, between reception and year 11\]](#).

Eligible pupils fall into the categories explained below.

### 5.1 Ever 6 free school meals

[Mainstream and special schools insert:](#) Pupils recorded in the most recent October school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent October census.

This also includes pupils with no recourse to public funds (NRPF). The government has permanently extended FSM eligibility to include children in all households with NRPF.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

### 5.2 Looked-after children

Pupils who are in the care of, or provided with accommodation by, a local authority (LA) in England or Wales for at least 1 day. Allocations will be provisionally based on the children looked-after data return in March of the previous year, and then confirmed in December of the current year based on the children looked-after data return in March of the current year.

### 5.3 Post looked-after children

[Mainstream and special schools insert:](#) Pupils recorded in the most recent October census who were:

- Looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order
- In state care from outside England and Wales before being adopted [\[This is a new criteria for the 2023-24 financial year\]](#)

## 5.4 Ever 6 service children

**Mainstream and special schools insert:** Pupils recorded in the most recent October census:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent October census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces
