

St. Saviour's RC Primary School

Autumn Term Parent Planner 2023/2024

Class: 2	Teacher: Miss Osgood	Teaching Assistant: Mrs Dummett	PE Day: Thursdays & Fridays
-----------------	-----------------------------	--	------------------------------------

Dear Parents and Carers,
Welcome back to a new school year. I am looking forward to teaching your children and meeting you. If you have any concerns at anytime please come and see me. Please make sure all of your child's uniform and P.E kit is labelled clearly with their name and class. Thanking you for all your support.

English:

In English, we will be looking at the story of Dick Whittington, Katie in London, Samuel Pepys' Diary, Vlad and the Great Fire of London and a range of poems. The children will be writing descriptions, stories and looking at newspapers and their features.

Religious Education:

The children will be looking at The Creation story. They will also begin to understand the signs and symbols of Baptism and Confirmation. Also looking forward and preparing for Advent.

Maths:

The children will be counting on and back from any number in twos, fives and tens. They will be understanding the place value of numbers, solving money problems, reading clock times, recognising 2D and 3D shapes and their properties. Also, they will be using number lines in addition and subtraction.

Humanities:

The children will be comparing London now to London in 1666. They will also look at the events in the history of London from Roman times to present day. They will become familiar with London's landmarks. In Geography, they will begin to learn and know the countries that make up the UK and look at some physical maps of London.

Landmarks

London's Burning

Computing:

The children will be looking at computing systems and networks whilst developing their mouse skills. They will also be learning how to use technology safely.

Art & DT:

Children will experiment with collage and print; identifying different textures and making rubbings of building surfaces. This will be linked to the Science topic, Materials and DT where the children have to design a bridge to cross the Thames.

Science:

Everyday Materials/Seasons
Children will look at materials used in different types of buildings in London. Then compare building materials from long ago. The children will test a variety of materials and also identify why certain materials are used for their properties.

PE:

Team and ball games and Gymnastics.

Music:

Recognising and playing short and long sounds.
Playing a range of instruments.

Homework:

Homework is given out every Friday and must be returned on Wednesdays.
English, Maths and Weekly spellings to learn.
Reading regularly to an adult.
Handwriting should be practised.
